Label Preview

Activate Windows

Go to Settings to activate Windows

In Premium Plan we get following additional features to add a label:-

- 1. Live Preview :-** We get live preview of the label at the same time.
- 2. Multiple Collection Selection :-** We can select multiple collection for label position.
- 3. Activate/Deactivate Label :-** We can active or deactivate any label.

Update Label:- With Premium Plan we can Edit any label of our choice by clicking on the edit icon on label list in dashboard.

The screenshot shows a modal window titled "Update Label" with a close button (X) in the top right corner. The form contains the following sections:

- Activate/Deactivate Label:** A toggle switch is currently turned on, labeled "Active".
- Label Name:** A text input field.
- Select Label Type:** Two radio button options: "Text Label" (unselected) and "Image Label" (selected, indicated by a green checkmark).
- Label Configuration:**
 - An "Upload Image" button.
 - A small thumbnail image of a yellow starburst with the text "FREE DELIVERY".
 - A "Label Position:" dropdown menu currently set to "Top Right".
- Label Preview:** A larger image showing a hand holding sunglasses. A yellow starburst with "FREE DELIVERY" is overlaid on the image. Text at the bottom of the preview reads "Activate Windows Go to Settings to activate Windows".
